By GS RUKUNDO Samson

GBUR VISION

“Seeing **Every** Student and **Every** Graduate to be an **agent of godly transformation** in Church and Society”

GBUR MISSION

- ❖ To **Reach** every student in universities and colleges of Rwanda with the Gospel
- ❖ To **Equip** them to be mature disciples of Jesus Christ
- ❖ To **Mobilize** them to be agents of godly transformation

GBUR IN THE MIDTS OF CORONAS VIROUS

- ❖ Every one is asking if GBUR is still operating while all Campus and Universities and colleges has been closed and students are at home.
- ❖ The universities and colleges are closed but the Mission is still on.

Our Motivation is to continue the ministry is based on :

- GBUR is Continuation of the Gospel: Mt 24: 14, This Gospel of Kingdom will be preached in the whole word as testimony to all nations, and then the end will come.
- **Thim 4:**
- ² Preach the word; be prepared in season and out of season; ,,,,,,,,,,

❖ The church is build under the lock [New Living Translation](#)
Now I say to you that you are Peter (which means 'rock'), and upon this rock I will build my church, and all the powers of hell will not conquer it. **Matthew 16:18**

- ❖ That promise is also for GBUR Ministry.
- ❖ This unique season God has provided to minister students because they have time: GBUR is using an extra time of students after the formal courses

The areas we are focusing during this period of corona virus

- **Leadership communication: Ubukangurambaga** From GBUR secretariat, NASEC, GBU Ex. committees, cell leaders up to GBU members should understand that the ministry of making disciples of Christ continues amidst lockdown. This is achieved through meetings for having same voice & partnership.
- **Caring for welfare of GBU members:** In this lockdown people's emotions have gone down, arising of physical needs, people might fall sick. Though we're not entitled as pastor, but our calling is pastoral ministry. Let's focus on following up our members

3. Feeding people the God's word Colossians 1:28:

Bible is the identity & belief of our ministry. The godly transformation we dream about remains impossible without God's word. In summary GBUR ministry is students around the Bible.

4. Bible study on GBU WhatsApp group, cell Bible study

with the help of Campus staff choose a book in accordance with the spiritual

5. Prayer life Philippians 4:6-7: prayer is the most thing that reflects how we've hope in God! Prayer life deepens God's word in believers In such time as this people live a life of worries, various rumours, but prayer life brings life of hope & triumph over circumstances, hence God's people reigning in our hearts! Involving GBU members in prayer chain, national level & GBU level (one cell prayer day a week)
